

SHALLOTS BISTRO

Curious yet? : 2/21/10

Have you answered our riddle from last month? If you guessed correctly, you know we have an exceptional evening planned.

Shallots Bistro will be hosting a very special event with Covenant Wines on Sunday February 21st at 5pm.

Covenant is made in a true artisanal manner, from grapes that grow in some of the most famous vineyards. This dedication to quality and craftsmanship has garnered Covenant 94 points from noted wine pundit Robert Parker.

Jeff Morgan of Covenant Wines will be our guest and will be pouring what's been called "the greatest kosher wine on Planet Earth." This is a rare opportunity to spend the evening with this multitalented author, journalist, educator and winemaker!

You'll surely want to attend this unique opportunity to enjoy these exquisite wines, which will be artfully paired with seven unique courses of sweet & savory dishes from our kitchen.

Space is limited for this exceptional event. The cost is \$95/guest, plus tax & gratuity.
